MOTION TO ACCEPT_____SECONDED BY_____ROLL CALL_____

OLD BUSINESS:

- DBSA needs to continue discussion regarding the need for easements and/or notification to property owners when DBSA has a manhole on their property. There are several of these properties located on Foote Avenue due to a sewer line running behind the car wash on Foote Avenue. We have currently created a NOTICE to these residents who do not have easements on their properties in which DBSA will seek approval to come onto their properties by signing the NOTICE. Our Solicitor has indicated he will work on possible easements for properties, and whether or not there currently is an easement on the surrounding Nowikowski property.
- DBSA is still waiting for Duryea Borough Council to respond regarding their responsibility in implementing an Ordinance similar to the one created by PA Municipalities and Dallas Borough to require anyone purchasing a property within Duryea must be required to have their lateral inspected prior to completion of their purchase.

- Bob Bejeski and Johnny Cremard will be raising the manhole on the Railroad property to grade as the Railroad buried this manhole (this was the manhole issue recently worked on by DBSA). The work was scheduled to be completed on December 19, 2022 but is on hold while issues with the Railroad requirements are being discussed and DBSA is awaiting Matt Johnson of the Railroad to schedule a meeting with us.
 - There is a sink hole at Hope and Grove Streets which needs to be dye tested to confirm there are no issues there. Also notes is the fact that the existing manhole has the old riser on it which DBSA odes not approve of using and will require a back hoe to remove it for dye esting. This work is not yet schedules to be completed.
-

NEW BUSINESS:

- There were no new sewer permits during February of 2023. Please see the attached list in each board members folder.
 - DBSA has received a credit in the amount of \$190.90 from PA One which represents the municipal refund for year 2022 pertaining to our 2022 service fees. The credit will be applied to our account.
 - Anyone who has not completed their Statements of Financial Interests for year 2022 need to do so and return it to DBSA to remain on file in the DBSA office.
